Watch and Bid Live Online at: www.DVAuction.com

Greetings,

Welcome to the 2016 Black Hills Stock Show Gelbvieh and Balancer® show and sale. We have put together a very impressive lineup consisting of herd bulls, herd bull prospects, open heifers and bred heifers that could go on to become a breed changing donor.

Most lots have been photographed and will be videoed and available online at www.SouthDakotaGelbviehAssociation.com and www.BlackHillsStockShow.com. You will also be able to watch the show and bid on sale lots online at www.dvauction.com.

Please call the consignors with any questions and check the web sites for additional information.

~2016 BHSS Consignors

Consignments: A complete list of entries and consignor is available at www.BlackHillStockShow.com

Accommodations: A block of rooms is available at the Cambria Inn and Suites, 333 Outfitter Rd., Rapid City, SD 57701, 605-341-0101

“Gelbvieh genetics bring many vital traits to the table, including growth, muscling, milk production, and fertility. These traits are in high demand, particularly to help improve the efficiency of beef production and to reduce the cost of beef for consumers. Balancer cattle offer the option of having a bull battery made up only of Balancer bulls, allowing producers to take advantage of retained heterosis.”

– Dr. Jason Ahola, Colorado State University

BABR PUREDELIGHT 683S

M & P DIXIE ERICA 01T

If you are looking for calving ease with loads of performance, this is the bull for you. Sampson puts it all together. He is bold ribbed, wide topped, clean fronted as well as sound structured. And with his pedigree, he is sure to add value to your herd.
