

# Pick of our Bred Heifers

For the first time, we are opening our gates and offering pick of our 2013 bred replacement heifers on the 2014 NILE Gelbvieh Sale. Our main focus is to produce females that are well balanced, easy fleshing, and that first and foremost make superior mother cows. Our herd numbers may be small, but we have raised herd bulls that are working in many commercial and registered herds. We have also raised females that have become superior producers for other programs as well as our own.

BABR D 50 Anastasia U8304  
Angus Donor - Natural  
Daughter in Pick

GLWG Diva 38R  
Granddaughter in Pick

AHL Hott Damn 31L  
Maternal Sisters in Pick

BMB Extra Hott 7061T  
Maternal Sister and  
Granddaughter in Pick

BABR Guenivere 1015Y  
Daughter of BMB Extra Hott 7061T  
Offspring of Dam in Pick

BABR 7063T  
Daughter in Pick

All heifers were AI bred on May 9 to these sires and CTR Sandhills 0065X.  
All were determined safe in calf by ultrasound preg-check on Sept. 13.

BMB Secret Brand 2100Z  
Owned with Greenhills Gelbvieh

BEA Common Sense 200Z  
Sold to Thorstenson Gelbvieh

BMB Branded Man 3400A  
Sold to Hilltop Farms

A few highlights of the pick include:

- ◆ Maternal sister to BMB RID Rooster Cogburn, sired by BAR GT CrossFire 500W
- ◆ Several maternal sisters to AHL Hott Damn 31L
- ◆ Maternal sister to the top bulls in our 2015 bull sale offering
- ◆ A maternal sister and granddaughter of the 2009 National Champion Gelbvieh Female, BMB Extra Hott 7061T

Terms of sale: We ask that you make your choice by December 31, 2014. We want to retain the right to one flush at the purchaser's convenience and the seller's expense.
